

Dear Sir,

The document "Procurement Manual" available on the link <http://npiu.nic.in/PDF/PROCUREMENT%20MANUAL.pdf> specifies the equipment procurement guidelines.

In this document, on **page 3**, it is clearly specified that equipment purchase under the price of Rs 10,00,000 can be done through direct shopping, without having to go through the tendering process.

The QEEE coordinators can buy directly from the supplier list given by you, quoting this clause in the procurement manual.

Hope this helps. Let me know if anything else is required

Warm Regards  
Cheistha
